

ALLURE•RGB

Smart RGB & Tuneable White LED Flush Mount

NDR Lighting's Flush Mounts family add the Allure•RGB to its already stellar lineup. Paired with the metal powder coated painted trim and full offering of RGB colors *and* white color selectable ranging from 2700K through 6500K, the new SMART RGB+CCT Allure offers the highest quality and light performance which allows you to achieve over 16+ million different colors.

Controlled via the SmartLife mobile app, unlock even more customized options by selecting from a wide variety of digital RGB trail lighting effects to create a superior lighting ambience to fit any installation need.
