

GOOSENECK

Outdoor LED Wall Light

NDR Lighting's brand-new Gooseneck Outdoor Wall Light brings a whole new, and elegant look to our already-proven Outdoor Security lineup.

The Gooseneck offers general and security lighting for outdoor residential and/or commercial applications. It's powerful lumen output, 3 selectable wattage options, 3CCT selectable color temperature, and dusk / dawn photocell option proves ideal for building facades, awnings, barn lighting, signage, and plenty more outdoor applications.
