

ISA | LED SWIVEL UNDER CABINET

The ISA series offers an under cabinet selection with elements of design and functionality with its subtle curves and swivel features. It can be easily mounted under a cabinet or on a wall and the diffused lens can be positioned at various angles up to 45° to highlight a beautifully tiled back splash or any wall feature of choice.

FEATURES

- 45° swivel
- Integrated driver
- Aluminum construction
- Wiring cavity for easy wiring installation
- Easily accessible power and color selection switches
- Multiple 3/8" knockout locations
