

400 SERIES PINNACLE

LED SPECIFICATION GRADE 120V TAPE LIGHT

NDR Pinnacle **400 Series** LED Tape Light offers industry specification grade technology and is rated for 120V input, thus eliminating the need for a separate driver. It has been designed with a PVC extrusion coating giving it an IP65 rating for wet location applications. It has also been engineered with a constant current and over voltage protection for added light consistency and safety.

With a direct wire connection and a maximum run of 100 feet, this product allows for varied installation application options indoors or outdoors in wet or humid areas.

Ideal applications: hospitality or residential coves, display cases, gazebos, patios, soffits, or any areas which may be exposed to direct contact with water.
